

June 2020

Dear Reader,

Well I thought and thought about what to chat about for June and I came up with a few criteria. One it had to be fun, two it had to be positive and finally it had to be helpful. So here you go:

Fun

Well I had to give you an update on Dasher, it's like having a new baby and not sharing the pictures. Dasher is a Sheepadoodle. Her naughty trait is digging up the garden but for the most part she thinks she is a lap dog. I am totally obsessed with her big paws and how so incredibly soft she is.

Positives

- SpaceX
- Our stores and parks are starting to re-open.
- A few of my favorite "positive" Facebook Groups; Sheepadoodle Obsessions | View from my Window | Gardening Hints and Tips

Helpful

Last month I provided a link to a list of my preferred vendors. Since then more have been added. However, I need a little help from you. I would like to add the following to my list, Architect, Stucco Repair, Nutritionist and Tailor. Who would you recommend? Here is the link to my list.

<https://robbyn.jhagents.com/vendors> or RobbysList.com

I have some excellent properties listed for sale right now. Starting with a Mid-Century Modern townhouse in Universal City, a 5 Bedroom, 3886 sq.ft home in Tujunga, a 1936 sq.ft home for \$679,000, and a move-in ready Townhome in Montrose and more. Check them all out at TheHouseAgent.com/Properties.

Have a great month and I'll touch base again in July.

Regards,

Robbyn Battles
